Speed Limits

Mr. Robert T. Tierney, P.E.  
Chief Engineer  
Mass. Dept. Public Works  
100 Nashua Street  
Boston, Mass. 02114

Dear Sir:

We have received a letter from the Board of Selectmen of Leverett in which they suggest that the speed limit on Route 63 be reduced to 45 M.P.H. throughout their town. Route 63 in Leverett is a State Highway and presently has posted limits of 50 M.P.H. and 55 M.P.H. These limits were established by Special Speed Regulation No. 419, dated July 23, 1968.

Please refer this suggestion to the Traffic Engineering Section for their review and evaluation. We will, upon request, perform any necessary field work.

Very truly yours,
